

What does a "WSQ" look like??

W

atch - When and where did you watch this video?

S

ummary - Write a brief summary telling me about the video and what you learned and what the main idea was.

Q

uestion - Write a question that you have about the video. If you don't have a question, write down a question you think someone else in the class may have OR create a word problem to go along with the video.
